Skills: Establishing 5-note hand positions, playing hands in unison, basic note values (whole, half, quarter, half rest,) metronome markings, phrasing, ear training for a tonal center, writing basic notation

Directions:

1. Fill in the correct notes for the bass clef line. Notes should be the same note value and name as the treble clef line, but two octaves lower.
2. Write fingerings for starting notes in each phrase.
3. Play each line separately, then together.
4. Upload recording to your OneNote class notebook.
